On Thursday, April 13th I will be making an author visit to Ecole Pere Kearns School. The presentation will draw from my newly released children's novel, *Hannah And The Magic Eye*, a fast-paced, magical adventure about two children searching for the lost treasure of King Solomon's Temple. The visit will also cover my award-winning children's novel series, *Wrush: Volumes One and Two* (for ages 7-12). *Wrush* is the story of Tabetha Bright, an eight-year-old girl in a wheelchair who uses creativity to overcome obstacles. With the help of a magic pen, Tabetha escapes the dreary walls of her hospital, writing her way into faraway worlds where adventure, friendship, and incredible challenge reveal the inner strength that lies hidden within her.

Wrush was awarded the Moonbeam Award, the ForeWord Reviews Book of the Year Award, the Writer's Federation of New Brunswick Literary Prize.

If your child would like to purchase a signed copy, books will be available for \$12 each, or just \$10 each if two or more books are purchased of either *Wrush*, or *Hannah And The Magic Eye*. Checks can be made payable to *Secret Worlds Productions Ltd*

Sincerely,
