

DR. JODY CARRINGTON

Psychologist. Mother. Believer.

Elk Island Catholic Schools is pleased to present a parent information evening with Dr. Jody Carrington.

We will spend an evening together talking about the power of the relationship with our children and how connection—no matter what age—can be the most powerful tool we have and (sometimes) the hardest thing to do.

Expect an evening of laughter and stories, while we understand how attachment and connection to our babes and our partners will give our children the most important skill they will ever learn, how to be kind and connected people we can be proud of.

Looking forward to seeing you there!
