

CALLING ALL VOLUNTEERS
MANY HANDS MAKE A LIGHT LOAD

Here at ÉPK School we are so blessed and fortunate to have such dedicated people constantly working to support and enhance our students' experiences at school. The incredible staff work tirelessly and we have an outstanding team of parents who volunteer regularly to give so generously of their time and talents. What a successful first half of the year we have had!

We are sending out a second shout out to all of our other fabulous parents. We need you! At EPK, we want to give our kids the absolute best. There's a reason why those who volunteer keep coming back over and over again- find out what all the ~~fuss~~ fun is about!

Juggling a family, work, extra-curricular activities and every day household tasks can already be a full plate, but did you know that there are many ways that you can help out that not only fit into your busy schedule but that also suit your own unique skills, talents and preferences.

- Have some time around noon every once in a while on Fridays? Come help distribute Hot Lunch. It's a great way to meet other parents and see the students.
- Have some time Tuesdays and/or Thursdays around noon? Come help distribute milk for Moo club.
- Socialize, chat and relax with other parents- especially if you are the crafty type- by helping to weave the ceinturesfléchées that we endeavor to make for each student.
- Work during the day? No problem! Help out by running an event for a shift at one of the school's family fun nights. Plus, the whole family can have a fun night out at the same time.
- Are you the super-organized type? Help plan events such as family nights and fundraisers. The next one is the silent auction / pub night on March 16th at Average Joe's on Baseline Road. We need help setting up, selling tickets and running the auction, you can sign up on the ÉPK weekly smore newsletter.
- Prefer to stick to yourself? Have limited time? How about some behind the scenes work like tallying fundraising orders- like Purdy's Chocolate sales or Perogy orders?

This is only a drop in the bucket of the ways in which you could make a difference at ÉPK. Not only does volunteering make the school a great place for the students to be, but it can also be a fantastic way for parents to meet new people, make friends, share their talents and have fun too!

If you are interested in volunteering, please email :Ways in which I would be interested in volunteering: to epkparentcouncil@gmail.com
