BIENVENUE TO CATHOLIC FRENCH IMMERSION

YOU'VE MADE A GREAT CHOICE!

Welcome to the École Père Kenneth Kearns Catholic School French Immersion Program for 2020-2021. We are so glad that you chose to join the ÉPK family and to be part of the Catholic French Immersion Advantage! We are looking forward to working with you this year, and celebrating the many successes your child will experience throughout their learning career!

This orientation package contains very important information to help you and your child join the ÉPK family with ease. It also provides you with information relevant for the entire year.

Further newsletters will be published regularly to keep you informed of school activities and news. These are often sent via email and we encourage you to subscribe to

receive these emails. Another fantastic resource for class and school events is the school website epk.eics.ab.ca. We recommend that you to visit it often as we update it regularly.

We look forward to working with you throughout the year!

YES, YOU CAN HELP!

The French Immersion program is designed for all families: families who do not speak French at home, families who speak some French at home, and families who speak primarily French at home.

Many times, parents are concerned they will not be able to help their child because they themselves do not speak French. Allow us to set your minds and hearts at peace. There is so much you can do to support your child's French Immersion learning!

We invite you to reference the following links as they will share with you the many ways you can support your child's learning in French Immersion without knowing the language. Learning is learning, numeracy is numeracy and literacy is literacy....no matter what language!

- ✓ **Canadian Parents for French: Yes, You Can Help** is a great document filled with exceptional information for parents of children in French Immersion. It is full of examples on how to support your child in French Immersion, and much, much more.
<https://education.alberta.ca/media/563591/yesyoucanhelp.pdf>
- ✓ **French Immersion Kindergarten in Alberta: A Handbook for Parents** is another excellent document that outlines what you can expect your child to learn in the French Immersion program, your child's personal progress and more ways to participate in your child's learning.

GETTING INVOLVED

Parent involvement and partnerships between home and school is vital to ensuring your child's success. There are many ways you can become involved in your child's learning! Thank you in advance for sharing your time and your gifts with your child, the class and the school as a whole. Your participation truly enriches your child's learning experiences. Parents and volunteers are always welcome with open arms.

Ways to become involved:

- Help in Class
 - You will be invited to visit the classroom and help several times during the year. A calendar of volunteers will be prepared after you advise the teacher of the days you will be available.
- Volunteer for Special Events and Activities
 - Just to name a few, parents are welcome to volunteer for L'épluchette (A French Canadian Harvest celebration), Carnaval, ÉPK Family Fun Night, National Indigenous Peoples Day, Sports Day, Faith Day along with many classroom specific field trips and activities. A great time to sign up is during our Meet the Staff event.
- Be a classroom representative
 - Participate in School Council and work closely with the Principal to learn all the ins and outs of what is going on in the school
 - Be a voice for your child's class and provide information and feedback about decisions affecting ÉPK
- Loom Les ceintures fléchées Carnaval Belts
 - Our amazing ÉPK School Council in collaboration with ÉPK school wants to ensure every child has a Carnaval belt of school colours to wear during ÉPK and French Canadian celebrations. Take time to loom and network with fellow Kindergarten parents.
- Support ÉPK from home
 - There are many ways to support your child's class and school by helping with projects or special events from home.

- Attend ÉPK School Council Meetings
 - This is a great opportunity to meet other ÉPK parents, learn about the amazing events happening at ÉPK, get involved in whole school activities and be a voice for School Council and ÉPK School leadership regarding ÉPK's bright future. Visit <https://epk.eics.ab.ca/parents/school-council> for more information and once a month meeting dates.

What is ÉPK School Council?

École Père Kenneth Kearns Catholic School also has a fantastic School Council. Each month they meet to help guide the direction of the school, assist in decision making that affect all ÉPK students and keep up to date on the amazing opportunities for students. They also plan and coordinate special events, as well as establish fundraising opportunities to support Faith experiences

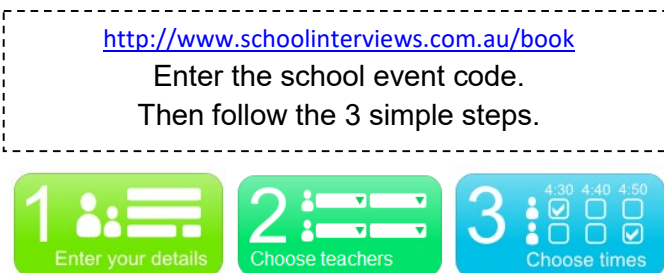

at school, and many Cultural events. It is also an excellent way to get to know other parents in the school, and develop lasting relationships. As a parent of a child(ren) attending ÉPK, you are encouraged to attend meetings as well as participate in the planning and volunteering for events. Ensuring we have Kindergarten parent voices is vital. All meeting dates are posted on the school website at epk.eics.ab.ca under Parents.

STARTING KINDERGARTEN WITH EASE

Small Group Orientation: Reserve Yours Today!

We are so excited to welcome your child to the École Père Kenneth Kearns Catholic School family for their first day of kindergarten. You and your child along with a small group of peers are invited to the school for a relaxed and full filled introduction to their learning journey. This time will be filled with natural step-by-step activities designed to transition your child into ÉPK's faith and French learning environment, to have your child explore the school and the classroom, to meet a few of their fellow classmates and to learn some of the basic routines. This is also an excellent opportunity for your child to get to know the teacher and reduce any kindergarten jitters. Please book your child's small group orientation by visiting the website below and following the orientation steps.

When you click **finish**, your interview timetable will be emailed to you automatically – **please check your junk mail folder** if you do not receive your email immediately.

Until bookings close you can return to www.schoolbookings.net at any time, and change your interviews.

If you have any questions, please contact us. ÉPK school office will remain open until Monday, June 29th, 2020. After this day, if you prefer to call, please leave a voicemail as the office will re-open August 27th, 2020. We will respond to all emails and voicemail messages received throughout the summer during the week of August 24 – August 29, 2020.

On the day of your child's small group orientation, parents will be responsible for their child's transportation both to and from school.

We invite you to visit our website at epk.eics.ab.ca to learn more about the exciting opportunities your child will experience and the caring compassionate staff who are looking forward to joyfully welcoming your child to the ÉPK family!

FIELD TRIPS AND ENHANCED PROGRAMMING

ÉPK Kindergarten children will be participating in a number of field trips this year as well as engage in special activities to enhance their learning experience. Several of these field trips have associated costs and will be the responsibility of parents. We aim to keep the cost of field trips as low as possible.

For ease of payment, we do our best to estimate the field trip costs at the beginning of the year, and charge one combined total to cover the year's trips. We anticipate a similar cost for field trips and enhanced programming as last year. Last year the total field trip/enhanced programming costs were \$195. Should there be money remaining at the end of the year, it will be used for the year end celebration. Should the estimate for the 2020-2021 field trips/enhanced programming costs be insufficient to cover the actual expenses, it will be communicated to you for payment.

New this year, and for your convenience, these field trip/enhanced programming costs will be available for payment by debit or credit card online under your PowerSchool Parent Portal Account.

What is a Parent Portal Account?

This is an account that you will create for yourself in our school's software system called PowerSchool. Your account will give you access to your child's field trip costs, report cards, student forms and more! You can pay your field trip costs using debit or credit card online. **This program will be used every year at ÉPK.** Set up your account today!

If you have any questions, please call the school at 780-467-7135. Thank you for paying field trip fees prior to April 30th, 2021. Please note that fees not paid before May 1, 2021 will be sent to collections.

SNACKS

Every day, the children will have snack time. Thank you for ensuring that your child has a snack. Please keep snacks small and nutritious. Adhering to the Canada Food Guidelines will help keep your child healthy and ready for learning. Throughout the year there will be themes that will align with children's learning. We encourage you to have fun with these themes and have snacks complimentary to the theme.

When students are in class the full day (Monday and Wednesday, Tuesday and Thursday classes) students will need a lunch and a second snack.

Thank you for helping us keep École Père Kenneth Kearns Catholic School a **nut sensitive** school. Please remember to read ingredient labels carefully when packing your child's snack to help ensure food is nut free.

SETTING YOUR CHILD UP FOR SUCCESS

The first day of school can bring a mix of emotions for students and families alike...excitement and jitters. This is very normal. With Christ as our guide, we assure you that your children are in caring and compassionate hands.

There are many things that can be done to help make the back-to-school transition easier. When you, as a parent or guardian, interact with and support your children, they are more likely to be successful.

You can help set your child up for success by helping them know:

- Their name, address and phone number;
- How to put on and take off outer clothing independently;
- How to take care of their basic toilet needs on their own; and
- How to be patient and wait their turn.

Positive Talk and Routines at home also help set the stage for successful learning:

- Establish a bed routine that ensures adequate rest;
- Help your child learn letters, numbers, colors and shapes;
- Read to them daily (Reading in English helps children make connections in French);
- Let them learn by trying new activities;
- Practice the route they will take to and from school;
- Talk about making new friends and doing new activities; and
- Invest in your child's learning: whenever possible volunteer at school and in the classroom
- Encourage independence and exploring the world around them – hands on exploration.

WHEN IT GETS COLD...

Extreme weather conditions can cause school closures and/or suspension of school bus services. When this happens, special announcements will be made on most radio stations and/or check www.eics.ab.ca. You will also receive a phone message outlining details of the closures. Cold weather may also prevent children from going outside for extended periods of time. Please visit <https://epk.eics.ab.ca/parents/faq> for ÉPK's cold weather practices.

WHEN YOUR CHILD IS AWAY FROM SCHOOL

If your child is not attending school, please contact the school and share:

- the name of your child
- his/her homeroom classroom
- the reason for the absence and
- the duration of the absence.

Absences can be reported in several ways:

- Please go to the Safe Arrival website:
- <https://go.schoolmessenger.ca/#/account/signup>
- Call the toll free number: 1-844-478-2613
- Report the absence through the smartphone mobile APP: SchoolMessenger
- Use the contact form on our website at: <https://epk.eics.ab.ca/contact>
- Email us at epk@eics.ab.ca

If you have any questions or require assistance, please contact us at the school at
780-467-7135

To ensure student safety, we check student attendance in the AM and PM
(Monday/Wednesday, Tuesday/Thursday).

TAKING THE BUS

If you coordinated bussing through EICS, the official start date will be announced in August, based on Alberta Education's recommendation. Your child's bus driver will notify you by phone just prior to school starting as to the time and location of your child's pick-up. Please make sure you ask the bus driver for the number of the bus your child will be taking to **return** home after school.

Your child will receive bus passes within the first few days of school. We strongly encourage you to attach these passes to the outside of your child's back pack so that it is easily visible. This will assist your child as well as the staff in ensuring your child boards the correct bus.

If you have applied for bussing on your registration, to date, no further information is available regarding routes. If you have not yet requested bussing, and would like to, please go to www.eics.ab.ca and click **Transportation** to complete an application.

Throughout the summer, routes will be established by the EICS Transportation Department. We thank you in advance for your patience, as the EICS Transportation Department works hard to serve all EICS students. As soon as details are confirmed, you will be notified by the EICS Transportation Department. If you have any questions, please contact the Transportation Department at Elk Island Catholic Schools 780-449-6480.

Please note, bus pick-up and drop-off points will be the nearest bus stop to your house on the route. For safety reasons, urban busses are not allowed into keyhole crescents or any areas that necessitate backing up.

Flashing lights are no longer permitted in Sherwood Park. Students should be at the bus stop **PRIOR** to the arrival of the bus.

Transferring of busses may be necessary for some students even in Kindergarten. Don't worry, the students are well taken care of and they learn rapidly. You can help by ensuring bus passes as well as bus numbers are visible on the exterior of your child's backpack. There are always supervisors at transfer points to help ensure children get to their correct bus. Please encourage your child to go to a supervisor (usually wearing a reflective vest) if they are confused.

Time spent riding the bus may vary according to routes. However, attempts will be made for "First On – First Off" basis whenever circumstances permit.

Buses shall not wait for tardy students. The children must learn to dress themselves quickly, even in winter. Thank you for making every effort to have your child ready for pick up, as well as being at the bus stop for drop off.

During field trips that operate outside of regular Kindergarten route times, transportation becomes the responsibility of the parent to and from school. These situations are rare, and mostly apply when there is a field trip outside of regular programming hours or days. Teachers communicate these dates well in advance to allow parents time to make arrangements for child pick-up or drop off.

Should parents require that their child be dropped off at an address other than their own, please communicate this to the Transportation Department, at 780- 449-6480

YOU'RE INVITED!

ÉPK is proud to have a strong community and an authentic family feel. Please join us in September to meet other Kindergarten parents in the amazing ÉPK community.

- **Welcome Back & Meet the Staff:** – An opportunity to meet the ÉPK team, your child's teacher and break bread with fellow ÉPK families. We look forward to seeing you there. Please visit <https://epk.eics.ab.ca/calendar> for start times and details about the evening.
- **ÉPK Family Fun Night:** –Sponsored by ÉPK School Council: An opportunity to come together and build our awesome community while enjoying some entertainment together.

*Merci for choosing to give your child added advantages in life:
Catholic French Immersion!*

Unity

I dreamt I stood in a studio,
And watched two sculptors there.
The clay they used was a young child's mind,
And they fashioned it with care.
One was a teacher, the tools he used
Were books, music, and art.
One a parent with a guiding hand
And a gentle loving heart.

Day after day, the teacher toiled,
With a touch that was deft and sure.
While the parent labored by his side,
And polished and smoothed it o'er.

And when at last, their work was done,
They were proud of what they had wrought.
For the things they had molded into the child,
Could neither be sold nor bought.

And each agreed they would have failed
If each had worked alone,
For behind the parent stood the school
And behind the teacher the home.
