Small Group Orientation: Reserve Yours Today!

We are so excited to welcome your child to their first year at Ecole Pere Kenneth Kearns. It is a privilege to be part of their learning journey and we can't wait to get started.

Recognizing that coming to school for the first time may be a little stressful on young children (and parents too), we are planning a slight deviation from a typical day. On your child's first day of school, **August 28th, 2025**, he/she will attend for half a day only. Smaller groups have been organized, allowing for a less busy and a more gentle beginning. For your assigned day your child will either attend from 9:00 - 11:00 am or 12:30 - 2:30 pm. Your child should bring a small snack and a bottle of water. Please verify the date and start time at the bottom of this letter. On your child's next scheduled day, **September 2nd (Full Time Kindergarten) and September 3rd (Part Time Kindergarten)**, classes will resume to regular hours, drop off can begin @ 8:30 and dismissal is at 3:10. They will also be able to access the bus if that is what your family has planned. If you have any questions, please do not hesitate to contact the school.

Please see attached letter for your child's Staggered Entry Appointment.

If you have any questions, please contact us. ÉPK school office will remain open until Thursday, June 26th, 2025. After this day, if you prefer to call, please leave a voicemail as the office will re-open August 13th, 2025. We will respond to all emails and voicemail messages received throughout the summer during the week of August 18th – August 27th, 2025.

Please bring all supplies to your Staggered Entry Session.

Helping your child become independent is a fantastic gift!

If you have any questions or require assistance, please contact us at the school at 780-467-7135

To ensure student safety, we check student attendance in the morning and afternoon.

TAKING THE BUS

If you coordinated bussing through EICS, it will officially begin Thursday, August 28th, 2025. Your child's bus driver will notify you by phone just prior to school starting as to the time and

location of your child's pick-up. Please make sure you ask the bus driver for the number of the bus your child will be taking to **return** home after school.

Your child will receive bus passes within the first few days of school. We strongly encourage you to attach these passes to the outside of your child's backpack so that it is easily visible. This will assist your child as well as the staff in ensuring your child boards the correct bus.

If you have applied for bussing on your registration, to date, no further information is available regarding routes. If you have not yet requested bussing, and would like to, please go to www.eics.ab.ca and click **Transportation** to complete an application.

Transferring buses may be necessary for some students, even in kindergarten. Don't worry, the students are well taken care of and they learn quickly. You can help by ensuring bus passes as well as bus numbers are visible on the exterior of your child's backpack. There are always supervisors at transfer points to help ensure children get to their correct bus. Please encourage your child to go to a supervisor (usually wearing a reflective vest) if they

are confused.

GETTING INVOLVED

Ways to become involved:

- Volunteer for Special Events and Activities
 - Just to name a few, parents are welcome to volunteer for L'épluchette (A French Canadian Harvest celebration), Carnaval, ÉPK Family Fun Night, National Indigenous Peoples Day, Sports Day, Faith Day along with many classroom specific field trips and activities. A great time to sign up is during our Meet the Staff event.
- Be a classroom representative
 - Participate in School Council and work closely with the Principal to learn all the ins and outs of what is going on in the school
 - Be a voice for your child's class and provide information and feedback about decisions affecting ÉPK
- Support ÉPK from home
 - There are many ways to support your child's class and school by helping with projects or special events from home.

- Attend ÉPK School Council Meetings
 - o This is a great opportunity to meet other ÉPK parents, learn about the amazing events happening at ÉPK, get involved in whole school activities and be a voice for School Council and ÉPK School leadership regarding ÉPK's bright future. Visit <https://epk.eics.ab.ca/parents/school-council> for more information and once a month meeting dates.

What is ÉPK School Council?

École Père Kenneth Kearns Catholic School also has a fantastic School Council. Each month they meet to help guide the direction of the school, assist in decision making that affect all ÉPK students and keep up to date on the amazing opportunities for students. They also plan and coordinate special events, as well as establish fundraising opportunities to support Faith experiences at school, and many Cultural events. It is also an excellent way to get to know other parents in the school, and

develop lasting relationships. As a parent of a child(ren) attending ÉPK, you are encouraged to attend meetings as well as participate in the planning and volunteering for events. Ensuring we have Kindergarten parent voices is vital. All meeting dates are posted on the school website at epk.eics.ab.ca under Parents.

TIPS FOR A SUCCESSFUL START

For some children, starting kindergarten might sound super exciting, but for others, it is quite intimidating. After all, a child has to experience and adjust to a completely new environment which can be pretty scary (even for parents). If your child is having mixed feelings about starting kindergarten, don't worry about it. It is absolutely normal to feel overwhelmed with different emotions. Here are a few back to school tips for parents of kindergarteners!

Get a school routine going early

Summertime schedules are often different from school year schedules, and there's nothing wrong with that. However, kids do well with routines so establishing a school routine early is important.

Get appropriate gear for your kindergartener

There are tons of cute and fun school supplies out there! A tiny backpack is not very useful. The backpack should be able to hold a water bottle, a lunch bag, occasional treasures and books.

Talk and read about school

Listen to your kindergartener and answer any questions they might have. Share insights into when you were in school and all the fun you had there. Books about school are a great way to generate conversation.

Encourage independence

While no one expects a 5 year old to do everything on their own, age appropriate independence is important. Some important tasks would include dressing and toileting themselves and cleaning up after themselves. While perfection isn't necessary, working towards independence is the goal.

Prepare for back-to-school emotions

Sometimes young children deal with separation anxiety when school time rolls around. Honestly, some parents have trouble separating from their children too. In both cases, those feelings are totally normal! Many of the above tips will help ease school anxieties. Children adjust to new experiences and in no time they will wave good-bye to you and join their friends to have a morning of fun.
