

Dear Parent/Caregiver,

A free parent workshop is being offered to parents of Grade 2, Grade 3, Grade 4, Grade 5, Grade 6, Grade 7, and Grade 8 students. This workshop will directly address any challenges your child is facing with reading and spelling in the classroom. This workshop will offer you suggestions and strategies to help support your child at home.

**Attendance at this workshop is highly recommended and beneficial as it will provide you with information and assistance in enhancing your child's reading and spelling skills.**

## Reading and Spelling Tips

(Phonological Awareness: Building blocks for reading and spelling)

Phonological awareness skills are critical for reading and spelling development. These skills involve how children hear and process sounds. Research has shown this area is highly linked to spelling and reading success.
